14 New houses have been built at Corpach

Completed before a 1st April deadline, these kit built houses have been erected in the Corpach Oak and Pine woods. Each single room apartment has been carefully sited with a North facing aspect.

The houses, designed and built by Corpach resident Colin Gray with wood kindly donated by BS&W sawmill, & are specifically intended for unmarried couples who intend to have a family. Occupation will be on a 'first come , first served ' basis, but there will be no guarantee of repeat tenancy on the following year.

Roddy Mainland of Kilmallie Community Co. says that they hope that the vacancies will be taken up quickly.

Okay , so they are Nest Boxes !!!!!

Bit late for 1st April , but it might 'lighten the day'

Reports of occupation would be of interest.
